Dear Jerry:

What happened about the articles that were to appear in the Miami papers? Did they appear? Could you possibly send me a copy of them if they did? I will return the copy to you. Also, what is the next step in Jimmy's case? When is the next appeal to be filed? Or heard? What about the case against Huie? I would appreciate you letting me know on the enclosed postcard. Best to Jack and Carol and the Old Man.

Sincerely,

George
